Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On August 1, 2018 (the “Start Date”), EyePoint Pharmaceuticals, Inc. (the “Company”) announced that the Board of Directors (the “Board”) of the Company appointed David Price, age 55, as the Company’s Chief Financial Officer. Mr. Price was appointed Chief Financial Officer by the Board on July 31, 2018, effective as of the Start Date.

In connection with Mr. Price’s appointment, the Company entered into an employment agreement (the “Employment Agreement”) with Mr. Price, which provides that his employment will continue until either the Company or Mr. Price provides notice of termination in accordance with the terms of the Employment Agreement. In addition, the Company entered into a confidential information, non-disclosure, non-solicitation, non-compete, and rights to intellectual property agreement with Mr. Price, which prohibits him from competing with the Company, soliciting the Company’s employees and customers and disclosing confidential information during the term of his employment and for a specified time thereafter.

Pursuant to the Employment Agreement, Mr. Price is entitled to receive an annual base salary of \$425,000. In connection with his employment, the Company granted Mr. Price (a) options to purchase 385,000 shares of the Company’s common stock at an exercise price of \$2.22 per share, vesting in three equal annual installments commencing on the first anniversary of the Start Date, and (b) 225,000 performance-based restricted stock units with performance vesting metrics to be determined within 30 days of the Start Date (collectively, the “Equity Awards”). The Equity Awards were made outside the Company’s 2016 Long Term Equity Incentive Plan, as amended, as an inducement material to Mr. Price’s entering into employment with the Company pursuant to Nasdaq Stock Market LLC (“Nasdaq”) Listing Rule 5635(c)(4). In addition, Mr. Price is eligible to receive an annual cash bonus, which is based on the achievement of individual and corporate performance objectives, calculated as a percentage of his annual base salary, and which will be determined by the Company’s Board, in its sole discretion. Mr. Price’s target annual bonus is 40% of his annual base salary. In connection with his appointment, Mr. Price has also entered into the Company’s standard indemnification agreement, the form of which is filed as Exhibit 10.8 to the Company’s Quarterly Report on Form 10-Q for the quarterly period ended September 30, 2016.

Under the Employment Agreement, if Mr. Price’s employment is terminated by the Company without “cause” or by Mr. Price for “good cause” (as such terms are defined in the Employment Agreement), Mr. Price will be entitled to (a) his base salary for the period of 12 months from the date of termination; provided, however, that if such termination occurs within 12 months following the Start Date (a “One Year Termination”), Mr. Price will instead be entitled to his base salary for the period of 6 months from the date of termination; (b) 100% of his target bonus, or 50% of his target bonus in the event of a One Year Termination, in either case, payable in equal installments during the period of base salary continuation payable in clause (a); and (c) reimbursements equal to the portion of the monthly health premiums paid by the Company on Mr. Price’s behalf and that of his eligible dependents immediately preceding the date that Mr. Price’s employment terminates until the earlier of (i) the last day of the period of base salary continuation under clause (a) and (ii) that date that Mr. Price and his eligible dependents become ineligible for COBRA coverage. Upon a “change of control” (as such term is defined in the Employment Agreement), any options to purchase shares of the Company’s common stock or shares of restricted stock of the Company held by Mr. Price that are not fully vested at the time of the change of control will immediately accelerate and vest in full, provided that Mr. Price is employed by the Company on the date of the change of control.

In addition to the payments set forth in the preceding paragraph, upon the termination of Mr. Price’s employment for any reason, Mr. Price will be entitled to receive any earned or accrued amounts and vested benefits that remain unpaid as of the date of his termination of employment. The payments and benefits set forth above are subject to Mr. Price’s execution of a release of claims.

Mr. Price brings more than 25 years of experience in the healthcare, investment banking and accounting industries to the Company. Most recently, Mr. Price served as the Chief Financial Officer of Concordia International Corp. (NASDAQ: CXRX), an international specialty pharmaceutical company focused on generic and legacy pharmaceutical products, from May 2017 to July 2018. Prior to Concordia, he served as Chief Financial Officer of Bioventus LLC, a private, equity-backed global provider of medical devices in the orthobiologics field, from October 2012 to April 2017. Prior to his role at Bioventus, Mr. Price was the Chief Financial Officer at EDGAR Online Inc., a financial data, technology and business process outsourcing company, from July 2010 to October 2012. Prior to that, Mr. Price was Chief Financial Officer of Cornerstone Therapeutics, Inc., a publicly traded specialty pharmaceutical company, from September 2009 to July 2010. Mr. Price has previously served as managing director in the healthcare and pharmaceutical services sector at two investment banking firms – Jefferies & Company in New York, and Bear Stearns & Co. in London and New York – and worked at PricewaterhouseCoopers Consulting and Arthur Andersen. He holds an honors degree in Accounting and Financial Management from Lancaster University in the UK and is a member of the Institute of Chartered Accountants in England and Wales.

There are no family relationships between Mr. Price and any director or executive officer of the Company, and he has no direct or indirect material interest in any transaction required to be disclosed pursuant to Item 404(a) of Regulation S-K.

WHEREAS, the Employee desires to be employed by and the Company desires to employ Employee as its Chief Financial Officer; and

WHEREAS, the Company and Employee desire to set forth sets forth the terms and conditions under which the Company agrees to employ Employee and Employee agrees to be employed by the Company;

Agreement

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby, the Company and the Employee hereby agree as follows:

1. Position and Duties.

(a) Employee will commence employment on August 1, 2018 or such other date as the Company and Employee may agree (the “Start Date”) on a full-time basis, as the Chief Financial Officer, reporting to the President and Chief Executive Officer of the Company. This is an exempt position.

(b) Employee agrees to perform the duties of Employee’s position and such other duties as may reasonably be assigned to Employee consistent therewith from time to time. Employee also agrees that, while employed by the Company, Employee will devote Employee’s full business time and best efforts, business judgment, skill and knowledge exclusively to the advancement of the business interests of the Company and to the discharge of all assigned duties and responsibilities for them.

(c) Employee agrees that, while employed by the Company, Employee will comply with all Company policies, practices and procedures and all codes of ethics or business conduct applicable to Employee's position, as in effect from time to time.

2. Compensation and Benefits. During Employee's employment, as compensation for all services performed by Employee for the Company and its subsidiaries and subject to Employee's full performance of Employee's obligations hereunder, the Company will provide Employee the following pay and benefits:

(a) **Base Salary.** The Company will pay Employee a base salary at the rate of \$425,000.00 (Four-Hundred Twenty-Five Thousand Dollars and Zero Cents) per year, payable in accordance with the regular payroll practices of the Company (as may be adjusted, from time to time, the "Base Salary").

(b) **Bonus Compensation.** For each fiscal year completed during Employee's employment under this Agreement, Employee will be eligible for an annual cash bonus. Employee's target bonus will be 40% of the Base Salary (the "**Target Bonus**"), with the actual amount of any such bonus being determined by the Board of Directors of the Company (the "**Board**") in its sole discretion, based on Employee's performance and that of the Company against goals established by the Board and consistent with any applicable plan or program documents and generally applicable Company policies. Except as otherwise expressly provided in Section 4 hereof, Employee must be employed through the date a bonus is paid in order to earn the bonus. If Employee's employment terminates, for any reason, prior to payout of the bonus, the bonus is not earned.

(c) **Participation in Employee Benefit Plans.** Employee will be entitled to participate in all employee benefit plans from time to time in effect for employees of the Company generally, except to the extent such plans are duplicative of benefits otherwise provided Employee under this Agreement (e.g., a severance pay plan). Employee's participation will be subject to the terms of the applicable plan documents and generally applicable Company policies, as the same may be in effect from time to time, and any other restrictions or limitations imposed by law.

(d) **Vacations.** Employee will be entitled to twenty (20) of vacation per year, in addition to holidays observed by the Company. Vacation will accrue monthly on a pro-rated basis. Vacation may be taken at such times and intervals as Employee shall determine, subject to the business needs of the Company. Vacation shall otherwise be subject to the policies of the Company, as in effect from time to time.

(e) **Business Expenses.** The Company will pay or reimburse Employee for all reasonable business expenses incurred or paid by Employee in the performance of Employee's duties and responsibilities for the Company, subject to any maximum annual limit and other restrictions on such expenses set by the Company and to such reasonable substantiation and documentation as may be specified from time to time. Employee's right to payment or reimbursement for business expenses hereunder shall be subject to the following additional rules: (i) the amount of expenses eligible for payment or reimbursement during any calendar year shall not affect the expenses eligible for payment or reimbursement in any other calendar year, (ii) payment or reimbursement shall be made not later than December 31 of the calendar year following the calendar year in which the expense or payment was incurred, and (iii) the right to payment or reimbursement is not subject to liquidation or exchange for any other benefit.

3. Termination of Employment. Employee's employment under this Agreement shall continue until terminated pursuant to this Section 3.

(a) **By the Company for Cause.** The Company may terminate Employee's employment for Cause upon notice to Employee setting forth in reasonable detail the nature of the Cause. The following, as determined by the Board in its reasonable, good faith judgment, shall constitute "Cause" for termination: (i) material or willful failure to perform duties reasonably expected and/or requested of Employee (other than by reason of disability) if not cured within 30 days of written notice of such failure; (ii) material breach of this Agreement or any other agreement between Employee and the Company, including but not limited to any Confidential Information, Non-Disclosure, Non-Solicitation, Non-Compete, and Rights to Intellectual Property Agreement if not cured within 30 days of written notice of such breach; (iii) commission of, or plea of nolo contendere to, a felony or other crime involving moral turpitude; (iv) commission of fraudulent or illegal act in commission of Employee's duties or otherwise with respect to the Company; (v) failure to adhere to moral and ethical business principles consistent with the Company's Code of Business Conduct and/or policies in effect from time to time; (vi) engaging in an act or series of acts constituting misconduct resulting in a misstatement of the Company's financial statements due to material non-compliance with any financial reporting requirement within the meaning of Section 304 of the Sarbanes-Oxley Act of 2002; or (vii) other conduct that is or could reasonably be expected to be harmful to the interests or reputation of the Company.

(b) **By the Company Without Cause.** The Company may terminate Employee's employment at any time other than for Cause upon two weeks' notice to Employee.

(c) **By Employee for Good Cause.** Employee may terminate Employee's employment for Good Cause by (A) providing notice to the Company specifying in reasonable detail the condition giving rise to the Good Cause no later than the thirtieth (30th) day following Employee's first becoming aware of such event or condition; (B) providing the Company a period of (30) days to remedy the event or condition; and (C) written notice terminating Employee's employment for Good Cause within fifteen (15) days following the expiration of the period to remedy if the Company fails to remedy the condition. The following, if occurring without Employee's consent, shall constitute "Good Cause" for termination by Employee: (i) a material diminution in the nature or scope of Employee's position, duties, or authority (other than temporarily while Employee is physically or mentally incapacitated to such a degree that Employee would be eligible for disability benefits under the Company's disability income plan or as required by applicable law); (ii) a material reduction in the Base Salary or the Target Bonus percentage; (iii) a material breach by the Company of this Agreement; (iv) a requirement by the Company that Employee relocate to a location more than thirty (30) miles from Watertown, Massachusetts.

(d) By Employee Without Good Cause. Employee may terminate Employee's employment at any time without Good Cause upon thirty (30) days' notice to the Company. The Board may elect to waive such notice period or any portion thereof; but in that event, the Company shall pay Employee the Base Salary for that portion of the notice period so waived.

(e) Death and Disability. Employee's employment hereunder shall automatically terminate in the event of Employee's death during employment. In the event Employee becomes disabled during employment and, as a result, is unable to continue to perform substantially all of Employee's duties and responsibilities under this Agreement, either with or without reasonable accommodation, the Company will continue to pay Employee the Base Salary and to provide Employee benefits in accordance with Section 2(c) above, to the extent permitted by plan terms, for up to twelve (12) weeks of disability during any period of three hundred sixty-five (365) consecutive calendar days.

4. Other Matters Related to Termination.

(a) Final Compensation. In the event of termination of Employee's employment with the Company, howsoever occurring, the Company shall pay Employee (i) the Base Salary for the final payroll period of Employee's employment, pro-rated through the date that Employee's employment terminates; (ii) compensation at the rate of the Base Salary for any accrued, unused vacation time; and (iii) reimbursement, in accordance with Section 2(e) hereof, for business expenses incurred by Employee but not yet paid to Employee as of the date Employee's employment terminates; provided Employee submits all expenses and supporting documentation required within sixty (60) days of the date Employee's employment terminates, and provided further that such expenses are reimbursable under Company policies as then in effect (all of the foregoing, "Final Compensation"). Except as otherwise provided in Section 5(a)(iii), Final Compensation will be paid to Employee within thirty (30) days following the date of termination (or such shorter period required by law).

(b) Severance Payments. In the event of any termination of Employee's employment pursuant to Section 3(b) or Section 3(c) above, the Company will pay Employee, in addition to Final Compensation, (i) the Base Salary for the period of twelve (12) months from the date of termination, provided, however, that if such termination occurs within twelve (12) months following the Start Date (a "Year One Termination"), the Company will instead pay Employee, in addition to Final Compensation, the Base Salary for the period of six (6) months from the date of termination; (ii) one times the Target Bonus, or 0.5 times the Target Bonus in the event of a Year One Termination, in either case, payable in equal installments during the period of Base Salary continuation under clause (i). Provided Employee timely elects continuation coverage for Employee and Employee's eligible dependents under the federal law known as "COBRA" or similar state law, the Company will pay the monthly amount that equals the portion of the monthly health premiums paid by the Company on Employee's behalf and that of Employee's eligible dependents immediately preceding the date that Employee's employment terminates until the earlier of (A) the last day of the period of Base Salary continuation under clause (i) and (B) the date that Employee and Employee's eligible dependents become ineligible for COBRA coverage to the extent permissible by law and plan terms. The severance payments described in clauses (i) through (iii) above are referred to as the "Severance Payments". Upon a Change of Control, any options to purchase Stock or shares of restricted Stock held by Employee that are not fully vested at the time of the Change of Control shall immediately accelerate and vest in full, provided that Employee is employed by the Company on the date of the Change in Control.

(c) Conditions to and Timing of Severance Payments. Any obligation of the Company to provide Employee the Severance Payments and the Equity Acceleration is conditioned, however, on Employee's cooperation in the transition of Employee's duties and Employee's execution and return to the Company of a Severance Agreement and General Release acceptable to the Company which shall include a release of all claims against the Company, all affiliated and related entities, and/or persons deemed necessary by the Company. The Release may also include Confidentiality, Non-Disparagement, No-Reapply, Tax Indemnification, and/or other appropriate terms. Except as otherwise provided by this Agreement, any Severance Payments to which Employee is entitled will be provided in the form of salary continuation, payable in accordance with the normal payroll practices of the Company. Unless otherwise provided by this Agreement, the first payment will be made on the Company's next regular payday following the effective date of the Severance Agreement and General Release; but that first payment shall include all amounts accrued retroactive to the day following the date Employee's employment terminated.

(d) Benefits Termination. Except as provided in Section 4(b) above or under COBRA, Employee's participation in all employee benefit plans shall terminate in accordance with the terms of the applicable benefit plans based on the date of termination of Employee's employment, without regard to any continuation of the Base Salary or other payment to Employee following termination and Employee shall not be eligible to earn vacation or other paid time off following the termination of Employee's employment.

(e) Assistance in Litigation. Employee agrees to reasonably cooperate with the Company in the defense or prosecution of any claims or actions that relate to events or occurrences that transpired while Employee is or was employed by the Company. Employee's cooperation includes, but is not limited to, being available to meet with counsel to prepare for discovery or trial and to act as a witness on behalf of the Company as requested at mutually convenient times. Employee's cooperation also includes fully cooperating with the Company in connection with any investigation or review by any federal, state, or local regulatory authority as any such investigation or review relates to events or occurrences that transpired while Employee is or was employed by the Company.

(f) Survival. Provisions of this Agreement shall survive any termination of employment if so provided in this Agreement or if necessary or desirable to accomplish the purposes of other surviving provisions, including without limitation Employee's obligations under Section 4. The obligation of the Company to make payments to Employee under Section 4, are expressly conditioned upon continued full performance of Employee's obligations under Section 4 hereof. Upon termination by either Employer or the Company, all rights, duties and obligations of Employee and the Company to each other shall cease, except as otherwise expressly provided in this Agreement.

5. Timing of Payments and Section 409A.

(a) Notwithstanding anything to the contrary in this Agreement, if at the time Employee's employment terminates, Employee is a "specified employee," as defined below, any and all amounts payable under this Agreement on account of such separation from service that would (but for this provision) be payable within six (6) months following the date of termination, shall instead be paid on the next business day following the expiration of such six (6) month period or, if earlier, upon Employee's death; except (A) to the extent of amounts that do not constitute a deferral of compensation within the meaning of Treasury regulation Section 1.409A-1(b) (including without limitation by reason of a short-term deferral or the safe harbor set forth in Section 1.409A-1(b)(9)(iii), as determined by the Company in its reasonable good faith discretion); (B) benefits which qualify as excepted welfare benefits pursuant to Treasury regulation Section 1.409A-1(a)(5); or (C) other amounts or benefits that are not subject to the requirements of, or satisfy an exception from treatment as deferred compensation under, Section 409A of the Internal Revenue Code of 1986, as amended ("Section 409A"). For purposes of this Agreement, all references to "termination of employment" and correlative phrases shall be construed to require a "separation from service" (as defined in Section 1.409A-1(h) of the Treasury regulations after giving effect to the presumptions contained therein), and the term "specified employee" means an individual determined by the Company to be a specified employee under Treasury regulation Section 1.409A-1(i).

(b) Each payment made under this Agreement shall be treated as a separate payment and the right to a series of installment payments under this Agreement is to be treated as a right to a series of separate payments.

(c) In no event shall the Company have any liability relating to the failure or alleged failure of any payment or benefit under this Agreement to comply with, or be exempt from, the requirements of Section 409A.

6. Definitions. For purposes of this Agreement, the following definitions apply:

"Change of Control" means

(c) Approval by the stockholders of the Company of a liquidation or dissolution of the Company.

Employee hereby represents and warrants that the signing of this Agreement and the performance of Employee's obligations under it will not breach or be in conflict with any other agreement to which Employee is a party or is bound, and that Employee is not subject to any covenants against competition or similar covenants or any court order that could affect the performance of Employee's obligations under this Agreement. Employee agrees that Employee will not disclose to or use on behalf of the Company any confidential or proprietary information of a third party without that party's consent.

8. Withholding. All payments made by the Company under this Agreement shall be reduced by any tax or other amounts required to be withheld by the Company under applicable law.

This Agreement shall inure to the benefit of and be binding upon Employee and the Company, and each of its respective successors, executors, administrators, heirs and permitted assigns.

11. Miscellaneous. This Agreement sets forth the entire agreement between Employee and the Company, and replaces all prior and contemporaneous communications, agreements and understandings, written or oral, with respect to the terms and conditions of Employee's employment, other than the **Confidential Information, Non-Disclosure, Non-Solicitation, Non-Compete, and Rights to Intellectual Property Agreement** dated July __, 2018, a copy of which is attached as Exhibit A and incorporated herein by reference. This Agreement may not be modified or amended, and no breach shall be deemed to be waived, unless agreed to in writing by Employee and an expressly authorized representative of the Board.
